Re: SCP-Carlstadt Site

Dear Mr. Warren:

This is to follow up on my letter dated September 30, 1988 to you regarding your letter dated September 22, 1988 in which you requested a copy of the updated guidance concerning Remedial Investigations and Feasibility Studies.

I have been in contact with EPA Headquarters to obtain a copy of the updated guidance. I have since obtained a copy of the revised guidance (dated August 1988). Headquarters has, however, informed me that the guidance will be officially issued (as Interim Final dated September 1988) within the next few weeks. When I receive a copy of the September guidance I will forward it to you (with no further correspondence necessary). If, however, you prefer to obtain a copy of the August 1988 guidance, please telephone me and I will provide you with a copy immediately.

If you have any questions regarding this matter, please contact me or James Schmidtberger at (212) 264-2646.

Sincerely yours,

Janet Feldstein, Environmental Engineer
Site Compliance Branch
